

Crossway Pediatric Therapy uses a multi-component approach including robotics to treat hemiplegia. Crossway is currently home to the **ONLY** Armeo Boom upper extremity robot rehab devices outside of a hospital or acute rehab setting in Charlotte, NC. This therapy specifically helps to improve mobility, range of motion and coordinated arm movements. The device used by physical and occupational therapists has been used in stroke rehab over the last year at Crossway is at the forefront of this technology advancement and the first in Charlotte area to utilize this groundbreaking therapy concept.

## General Information

Shelley A. Dean, OTD, OTR/L, a team of therapists and volunteers will run the CIMT Camp. There will be a preschool age group consisting of 2-5 yr. olds and an older group of 6-12yrs. old. For campers that would like an intense therapy before camp starts, Shelley will be available for this bi-manual therapy on a one to one basis. If we have not met your child in person, please send a video of your child eating and playing informally so that we can determine whether a day cast or full-time cast will be best for camp. This year we will be tracking goals in the Goal Attainment Scaling program prior to the start of camp and data will be taken daily. You must be able to attend all 3 weeks of the camp in order to be accepted. This year we will only be accepting 12 campers, Application deadline is May 1, 2018. Please complete: [CIMT Log](#), [Registration Form](#), [Waiver Form](#) & [Parent Consent for Treatment Form](#) found on our website: [crosswaytherapy.com](http://crosswaytherapy.com)

## CIMT CAMP 2018

Dates: June 11 - 29th  
Time: 9:00 - 2:00PM  
Pricing: \$3000

### Billing Information

Only 4 units a day can be billed to your insurance for OT. If the child also needs PT they need to have insurance approval and a current PT evaluation indicating the need for skilled intervention so that those additional units can be billed to insurance to pay for the cost of camp. The number of days per week for PT will be determined by the physical therapist. We offer group PT daily, but this is not covered by insurance and when it is, the reimbursement is typically \$15 per session. Also, note that if your child is covered under Aetna, they only allow for 4 units a day maximum to be billed.

\*\*\*A non-refundable deposit of \$500 will be due May 1<sup>st</sup> and this will be applied to your tuition for the camp. The balance of your camp tuition will be due no later than June 11, 2018.
