MAKING FUN AND FUNCTION GO HAND IN HAND

## PEDIATRIC INTENSIVE THERAPY CAMPS AND INDIVIDUAL INTENSIVES

The Boston Ability Center is happy to announce our 2021 intensive therapy offerings for children ages 3-10 with neuromuscular impairments.

### INTENSIVE DATES

- **3 Week Summer Camp Intensive:** August 2<sup>nd</sup> – August 20<sup>th</sup>
  - 9am – 12pm
  - Two, one hour therapy sessions plus one hour of camp
  - Maximum of 4 campers due to Covid
- **Individual Summer Intensives:**
  - Any combination of PT, OT, speech/language therapy, and/or feeding therapy
  - Two, one-hour sessions for each discipline
  - Scheduled at any time throughout the summer, 3-5x per week for 1-3 weeks

### WHY ATTEND BAC INTENSIVE THERAPY CAMP?

- Small groups of 3-4 children allows for social interaction and peer modeling, and social distancing
- Camp programming designed and led by dedicated and experienced OT and PT staff members and trained graduate students
- Two consecutive 60-minute individual OT and PT sessions, followed by camp activities
- Option to include intensive speech, language, or feeding intervention during camp as well
- Specifically designed activities targeting the use of upper and lower extremities through functional movements necessary to complete daily activities
- Individualized therapies using evidence-based interventions including Constraint Induced Movement Therapy (CIMT), Hand-Arm Bimanual Intensive Therapy, and Lite Gait

**To register, please contact the Boston Ability Center at 781-239-0100 or [frontdesk@bostonabilitycenter.com](mailto:frontdesk@bostonabilitycenter.com). Deposit due upon registration.**

*\*Intensive therapy sessions may also be scheduled throughout the year\**
