

# Pediatric Brain and Movement Study

**WE ARE INVITING CHILDREN WITH CEREBRAL PALSY TO PARTICIPATE IN AN AT HOME STUDY WITH THE GOAL TO IMPROVE HEALTH CARE ACCESS**

**WHO CAN PARTICIPATE?**  
Children who are 8-17 years old with cerebral palsy due to an early brain injury accompanied by a parent/legal guardian  
Families will receive up to \$100 for participation

**WHY?**  
Our goal is to improve motor rehabilitation outcomes, reduce treatment cost, and improve access to health care through telecommunication

**WHERE?**  
The study will be held in the home setting with visits by a study team member  
We offer weekday, evening, and weekend study visits to accommodate family schedules
